APPOINTMENTS.

PROVINCIAL SECRETARY'S OFFICE.

HIS HONOUR the Lieutenant-Governor in Council has been pleased to make the following appointment:—

7th August, 1902.

JOHN WESTWOOD, of the City of Grand Forks, Esquire, L. R. C. P., L. R. C. S., Edin., to be a *Coroner* in and for the Province of British Columbia. Such appointment to take effect from the 6th day of November, 1901.

PROVINCIAL SECRETARY.

DOMINION OF CANADA.

HIS EXCELLENCY the Governor-General has received the following cable message from His Majesty the King, addressed to his people throughout the British Empire, which will be read with much interest by the people of Canada.

R. W. SCOTT,
Secretary of State.

To My PEOPLE:

On the eve of my coronation, an event which I look upon as one of the most solemn and important in my life, I am anxious to express to my people at home and in the colonies and in India, my heartfelt appreciation of the deep sympathy which they have manifested towards me during the time that my life was in such imminent danger. The postponement of the ceremony owing to my illness caused, I fear, much inconvenience and trouble to those who intended to celebrate it, but their disappointment was borne by them with admirable patience and temper, the prayers of my people for my recovery were heard, and I now offer up my deepest gratitude to Divine Providence for having preserved my life and given me strength to fulfil the important duties which devolve upon me as the sovereign of this great Empire.

EDWARD, R. et I.

Buckingham Palace,
8th August, 1902.

DOMINION ORDERS IN COUNCIL.

(Ref. 703,130.)

AT THE GOVERNMENT HOUSE AT OTTAWA,

Saturday, the 31st day of May, 1902.

PRESENT :

HIS EXCELLENCY THE GOVERNOR-GENERAL
IN COUNCIL.

ON a Report dated 21st May, 1902, from the Minister of the Interior, submitting that the City Council of New Westminster, British Columbia, has made an application for a grant of the south-west quarter of Township 6, Range 6; the west half of Township 5, Range 6; and the west half of Fractional Township 4, Range 6, all west of the 7th Meridian; also Section 36, Township 39, W. C. M., in the Province of British Columbia, in connection with the Coquitlam Water Works, from which the City water supply is taken, and have offered the nominal figure of \$250 for this area.

The Minister represents that the Corporation state that the reason they apply for such a large area around the lake and river is that the water may be preserved from contamination, and that nearly all the land applied for consists of barren, rocky hills, with a few patches of comparatively level land from a few yards to a couple of acres in extent.

The Minister states that the Agent of Dominion Lands of the Department of the Interior at New Westminster has made the following report upon the application made by the City Council of New Westminster:—

"The growth of the City being, comparatively speaking, in its infancy, it is extremely important that this water supply shall be guarded and preserved from all sources of contamination. From an inspection made of this lake, it appears that only a small portion of the adjoining lands, namely, on the south-west side, could be made of any use whatsoever for cultivation, and, therefore, although the whole area included in the application might be considered as a large area, yet for all practical purposes it is of no commercial value. The lake lies in a valley and the lower stretches are covered with smallish timber, which improves the locality as a water basin, and it is

considered very desirable that effective measures be taken to prevent this young timber from being destroyed by forest fire. There is very little merchantable timber in or surrounding the basin.

"As matters stand at the present time, an adventurer could easily settle on some point on the shores of the lake and cause great uneasiness, in many respects, to the City authorities and the inhabitants of the City who use the water."

The Minister, seeing no objection to the application made by the City Council of New Westminster being granted, recommends that a patent for the land be issued in their favour, upon receipt here of the amount they offer, namely, \$250, and on filing in the Department of the Interior, at their own expense, a plan of the survey of the tract applied for, approved by the Surveyor-General of the said Department.

The Committee submit the same for His Excellency's approval.
